

### **About Us**

Urban Ed Enterprises, Inc. is an emerging small IT firm incorporated in November 2006. We are a women and minority owned firm with over 12 years of business and technical expertise. Located in a HUBZone, Urban Ed Enterprises plays a significant role in helping to build local neighborhoods by training and hiring from within our own backyard.

### **What We Do**

We specialize in providing hardware and software solutions to individual users, small businesses and government agencies. Our services include IT maintenance and repair contracts, help desk and end user support, networking and cable installations and technical training services.

### **Our NAICS**

238210, 541512, 541519, 611420, 611519, 811212

### **What Our Clients Say**

Even as an emerging company, Urban Ed Enterprises has developed a strong satisfied client base. From working with churches, to small business owners to medium size companies, our fundamental business philosophy is to maintain customer-centered business practices where first and foremost is customer satisfaction and we are committed to providing a high standard of tech support.

*“Urban Ed Enterprises’ staff and leadership have excellent communications skills and their reliability and integrity are above question.”* Pastor David McNeilly, Riverdale Presbyterian Church

*“The expert service of Urban Ed Enterprises’ staff has proved to be invaluable. They learned the particulars of my business quickly and successfully adapted and honed their skills to bring out the best.”* Celeste O. Norfleet, Renowned Book Author

*“Because of Urban Ed Enterprises work ethic, their living up to contractual- terms stipulated with us has always been the driving force behind the quality care and quality services that they have provided us. I commend Urban Ed Enterprises Inc for their exemplary professional services that they have consistently given us when we have needed them.”* JoAnn Perkins, Executive Director, World Missions Extension Center
